PLEASE TAKE NOTICE, that on Wednesday, June 16, 2021 at 8:00 a.m., the Board of Managers of the Heron Lake Watershed District, sitting as the drainage authority for Heron Lake Watershed District Project 2, pursuant to Minn. Stat. § 103E.101, Subd. 4a, shall hold a public hearing to reconsider the Reestablishment of Records and a possible modification of the same, specifically to not include as part of the public drainage system the final 570 feet of Branch B1 tile included in the April 2020 engineer's report of findings dated April 29, 2020, given that the legal notice for the hearing to establish the public drainage system held on October 13, 1973 described the private tile ending at the east half of the Southwest quarter of the Southeast quarter of section 11, rather than the west half.
