- Please complete the following form to assist us in tracking your grant. Information provided will also help us to assist you in planning for the next field season and to stay within the proposed budget of the grant.

Please provide us with a budget summary for your grant. Please record starting funds of the grant that was awarded, money spent, any pending reimbursements and also if you have committed any funding of this grant for future projects. Attach a separate spreadsheet or fill out the table below.

Grant Awarded	Reimbursements received	Reimbursements pending (with date submitted)	Funds allocated for future projects	Balance as of January
\$36,455.00	\$0.00	\$0.00	\$0.00	\$36,455.00

- Please list the number of projects completed by landowner and lake name, County/DOW # and indicate the number of linear feet restored and the area restored in square feet and if this was on private or public land. If workshops were held please list the dates of the workshop, number of attendees, and area of training and if a restoration project was completed as part of the training for the workshop. Please use the sheet below or attach a spreadsheet to this form.

Landowner Name	Lake Name	County or Lake DOW NUM	Linear feet restored	Square feet restored	Public or private land
Workshop location	Date of workshop	Number of attendees	Training focus area	Restoration project completed?	

- On a separate page please provide some before and after photos of the projects completed.
Before photos will be taken in spring 2014.

- Please list the number of **proposed** projects, workshops you plan to complete in the next field season. If possible list by landowner name and Lake Name and DOW #.

Landowner Name	Lake Name	County or Lake DOW NUM	Dimensions of project	Square feet restored	Public or private land
Dale and Barb Bergman	First Fulda	Murray	215' x 25'	5375	Private
Luke and Rachael Isder	First Fulda	Murray	220' x 25'	5500	Private
Tom Volk	East Graham	Nobles	300' x 30'	9000	Private
Mark Versteeg	East Graham	Nobles	80' x 30'	2400	Private
Workshop location	Proposed Date of workshop	Estimate of Number of attendees	Training focus area	Restoration project a component?	

Please be sure to get plans and plants list to the Aquatic Habitat Specialist in your area for review of the proposed projects **prior** to installation. All plans and plant lists need to be reviewed in order to qualify for reimbursement. Please allow enough time for review during the busy field season.

- List any questions or concerns you have with projects/grant process so we can assist you.
